

R E M A R K S

The specification has been amended at page 1 to identify that this application is a U.S. National Phase Application under 35 USC 371 of International Application PCT/SE2004/001896.

Claims 1-5 have been amended to delete the multiple and improper multiple dependencies thereof, and new claims 6-16 have been added. The claims have also been amended to put them into better U.S. form.

No new matter has been added. Entry of the amendments to the specification and claims is respectfully requested.

If the Examiner has any comments, questions, objections or recommendations, the Examiner is invited to telephone the undersigned for prompt action.

Respectfully submitted,

---
